Other questions that emerge from this template:

WHEN (1848)

Who was President of the United States in 1848 (Seneca Falls Convention)?

What were the legal rights (obligations) did women have in 1848?

When did the year 1848 enter the consciousness of the 20th century women's movement?

Where did women go to socialize with each other in 1848?

Why did it take until 1848 for such a convention to occur?

How did the leaders choose 1848 as the year for the first meeting?

WHERE (Seneca Falls, New York)

Who lived in Seneca Falls, New York?

What was Seneca Falls, New York known for?

When was Seneca Falls, New York incorporated?

Where is Seneca Falls, New York located?

Why was Seneca Falls, New York preferable to NYC or other nearby cities?

How did Seneca Falls, New York fare after the convention?

WHY (Reasons)

Who asked doubting questions (why) about the convention?

What were the primary arguments (why) for the convention?

When did the arguments (why) for the convention begin appearing?

Where did the arguments (why) for the convention begin appearing? (newspapers?)

Why did these arguments not appeal to more men to attend the convention?

How were the arguments for attending the meeting framed?

HOW (Process)

Who designed the process (how) for the way the convention would work?

What were the key features of the plan (how)?

When did the organizers finalize the process (how)?

Where did the pre-convention meetings (how) take place?

Why did the process not become an on-going one (i.e., generating yearly meetings)?

How did the process serve as a model for 20th century feminism?
